“Robust and designed for life, the World Dryer brand speaks for itself”

Overview

VERDEdri™ is a high speed, surface-mounted ADA compliant (protrudes from the wall 100mm or less) hand dryer featuring HEPA filtration system and antimicrobial technology.

VERDEdri is extremely energy efficient utilizing only 950 watts of power. The adjustable two speed motor controls and global universal voltage features accommodate any commercial washroom environment.

VERDEdri was designed to be durable and vandal resistant, to cope with all environments and footfall situations. The user is given added protection and comfort as VERDEdri incorporates SteriTouch® antimicrobial technology inhibiting the growth of bacteria, mold and fungus extending the dryer's service life.
